Meeting was called to order at 6:09 p.m.
New Business
Exploration of self guided tours for the vehicle building. Elizabeth is interested in people's opinion on doing self guided tours. Elizabeth suggested a security system. Cal stated that Sherman County has a system that works well. Elizabeth has her own security system. Daliea encouraged us to look at different systems and to confer with the Sherman county Museum to see what works.
Elizabeth stated she felt it would be good to have cameras for the safety of our volunteers and visitors. The consensus of the committee was it would be a good to explore options and to speak with Sherman County to look at systems.
Elizabeth stated that there may be issues with the internet and coordination with Wasco county. Cal will start making calls and getting started. Elizabeth will assist if needed. Mike Middleton stated that the county can also help.
The group discussed the options for opening the grounds to the public when it is approved by the State and the County to do so. Cal is looking to do an outdoor ground exhibit to be ready when the county is able to enter Phase 1 of reopening. There is a lot of information that is going back and forth. Elizabeth can assist with supporting Cal in getting the information and coordinating with Matthew Klebbs. Matthew stated all the required documents had been stated for the reopening about the county.
The minutes from the last meeting were reviewed. Elizabeth made the motion to approve the last meeting minutes of April 14, 2020. Eric approved it. Motion carried.
Elizabeth asked Mike Middleton if there was anything we could do to support any grants or relief programs for loss revenues. Mike said they are looking at lost revenues from counties. He asked us to keep our ears open and Matthew has been helping with that.
There is no agenda to approve.
Old Business
Eric reported that there has not been progress on the gutters on the Anderson House or the rain barrels. He has been working out of town. Eric stated they were looking at wine barrels filled with gravel. We need two. Elizabeth thinks she has a resource for these. They will be free to the Museum.
Elizabeth asked if the contractor had been paid yet. No one could confirm if he had. Eric will also be measuring the porch this week and bringing it to the commission. He also talked to Sue Buce about the agreement on the Wynquatt collection. Elizabeth asked Eric about the work with Mike Byrne on the chimney and he is planning to be there the last week in May.

Elizabeth asked Eric about the gardeners cottage, he has not been up there since the last meeting and plans to get there this week.
Donna reported that no one has been submitted to the Commission by the city. She doubts that we will. She will send the Mayor an email. Matthew developed a local government academy who may be willing to volunteer in another capacity. Donna did mention this to the Mayor, but it did not seem to gain any traction.
Elizabeth and Daliea thanked Cal for all his hard work and forward thinking during the Covid 19. We are all thankful for his efforts and recognize his efforts.
Directors report (attached)
Elizabeth asked if there was any way to open up the vehicle building for self guided tours. Cal suggested there may be a way to do this. Elizabeth asked we explore this in New Business.
The old clock in the parlor fell off the wall and was broken. It was four feet long. It was destroyed years ago and restored. They had hung it up in the parlor. The clock man hung it and there were no people in the room when it fell. Elizabeth asked if it could be repaired and transported or had to be repaired in house. Eric would like to take a look at it this weekend.
When Mary went upstairs to the closet there is loose plaster that fell off the ceiling. There was no sign of moisture. It is located off the staircase. It was not in the secret room that had been repaired before.
Elizabeth asked about alarm codes. Cal stated no one sent him codes for their own personal code. Cal asked they be sent to the Fort Dalles Museum Address. They would like to get all the codes. Elizabeth asked who does not want access to the Museum. Cal will send an email to everyone to gather the information about who wants codes for the Museum tomorrow.
Elizabeth asked about the siding for the vehicle building. Both Dennis and Loyal felt they could not work without being closer than six feet. Elizabeth thinks she can do the project to wrap it up. Mike Middleton Fiscal Report (attached)
Basically we are not open and it will stay that way. Our admissions are at $\$ 24,000.00$ with Covid 19 we are missing out on about $\$ 7500.00$ in admissions. We need to watch our Museum expenses as they are over budget. Our revenues are shut down with the Covid 19 and we need to watch our expenses.
Wasco county the IT Director Paul Ferguson has passed away and the county is recruiting for a new IT Director.
Next meeting will be June 9, 2020
The meeting was adjourned at $7: 21 \mathrm{pm}$

## Financial Notes for Museum - April 2020

- $10^{\text {th }}$ month of the fiscal year $=83.3 \%$ complete for straight-line analysis

## Revenues

- Investment Earnings (Interest \& Mark to Market) is $\$ 139$ more than last fiscal year, budget execution is $142.1 \%$ with 2 months remaining in the fiscal year
- The interest for April has not been posted yet - I expect it to be around $\$ 500$
- Admissions are $\$ 24,544$ as of January $31^{\text {st. }}$. This is $\$ 3,877$ more than last year at this time.
- Budget is executed at $87.7 \%$ compared to $91.9 \%$ last fiscal year
- Last fiscal year generated $\$ 7,514$ from April to June
- With COVID-19, it is not likely to earn that much this fiscal year
- Opening is starting to be discussed, there is a plan and asking to go to "phase 1"
- Without any further admissions - it will be $\$ 3,400$ under budget
- Memberships are $\$ 8,470$ or $\$ 352$ more than last year at this time
- Budget executed to $105.9 \%$ vs $124.9 \%$ last fiscal year
- Last fiscal year had \$1,630 in memberships from April to June
- Have exceeded the budgeted expectation
- Merchandise sales remained at $\$ 2,381$ - no change since November
- Donations are $\$ 4,965$ compared to $\$ 2,047$ last year at this time
- Budget execution is $76.4 \%$ compared to $31.5 \%$ last year
- Little change from December
- The PUD Grant for $\$ 18,565$ is not being ran through the Museum books
- This is through the city as they are the owner of the property - per the PUD rules
- This grant will not show in the County's financial statements/budget
- First noted in the reports in September

## Expense

- Personnel is executing at $73.0 \%$, which is within the straight-line budget expectation
- The amount is $\$ 1,701$ more than last fiscal year
- Grounds maintenance is up to $\$ 7,075$ and a budget execution of $94.3 \%$
- The tables purchased early in the year are the reason, this is non-linear and budget will be watched - discussed in prior reports
- Museum Expenses are executing at $167.0 \%$ - $\$ 2,505$
- In February \$376 was spent with Westwind Frame followed by another \$802 in March
- Advertising is up to $\$ 5,910$ - executing at $118.2 \%$ compared to a $146.1 \%$ execution last fiscal year
- While this is not in line with a straight-line assumption, advertising can be very nonlinear through the fiscal year
- The budget is over-expended; this item needs to be watched
- Contracted Services has $\$ 1,300$ - well under budget

## Overview

The fund was performing well. Then COVID-19 hit. It seems revenues are done for the year - it will depend when the County is allowed to open. There are some expenses past the budgeted expectation so these should be watched very carefully going forward. The cruise season appears to have been cancelled and this is a major contributor to admissions. Going forward, the best position is to minimize unnecessary expenses while taking advantage of the time to implement improvements that have not had time to be completed.
